

100kWh solar-powered modular outdoor cabinet for farms

The outdoor cabinet is weatherproof, easy to install, and built for long-term performance. With remote monitoring, after-sales service, and extended warranty, SUNWAY ensures stable power supply and ...

Sunpal 100kW/215kWh outdoor battery storage system offers reliable solar backup, peak shaving, and EV charging support with smart BMS and remote control.

The HighJoule 100KWh Outdoor Cabinet Series offers a robust solution for commercial applications, featuring a 100KWh LFP or SSB battery with over 8000 cycles, ensuring long-term reliability and ...

The Air-Cooled 100KWh Outdoor Cabinet Series C& I Energy Storage System features an integrated design that combines batteries, BMS, EMS, modular inverter, and fire protection system into one ...

This integrated solar battery storage cabinet is engineered for robust performance, with system configurations readily scalable to meet demands such as a 100kwh battery storage requirement.

The MEG 100kW x 215kWh Cabinet is engineered as a modular energy storage building block, ideal for commercial facilities, microgrids, and community-scale projects.

Our product can obtain local load power in real time, the photovoltaic power is self-use first, and the left power is stored; When the power generated by photovoltaic power generation is insufficient to ...

Expand capacity effortlessly by connecting multiple units, making it adaptable to scenarios ranging from power generation to user-side needs. Experience the future of energy storage with exceptional ...

Available in both 100kWh and 215kWh capacities, this modular system integrates power modules, batteries, cooling, fire protection, and environment monitoring in a compact outdoor cabinet.

Looking for an ODM BESS energy storage system? Our all-in-one outdoor cabinet (50-100kWh) features an IP55 design, LFP cells, and easy expansion for C& I applications.
