

In 2008 we became authorized panel Builder of Schneider Electric for low voltage panels up to 3200 A, and one of the official distributor for selling all the Schneider product in Albania.

Our services include high-quality Albania communication base station inverter infrastructure construction-related products and solutions, designed to serve a global audience across diverse regions.

Established since the beginning with a solid vision and strong technical & engineering teams, RADIO FREQUENCY & ADVANCE ENGINEERING Ltd. (RF& AE Ltd) has a vast experience that has enabled the

...

The solution adopts new energy (wind and diesel energy storage) technology to provide a reliable guarantee for the stable operation of communication base stations.

Kompania POWER (Swid) ka filluar aktivitetin e saj n&#235; vitin 1998 n&#235; fush&#235;n e burimeve t&#235; energjis&#235; duke prezantuar n&#235; tregun Shqiptar gjenerator&#235;t Diesel t&#235; mark&#235;s Broadcrown prodhuar n&#235; UK, paisje UPS t&#235; ...

Output: 230V Input: 48VDC Frequency Compatibility: 50 / 60 Hz Cooling Method: Dual multi-speed fans.

Modular Inverter DC/AC Our Modular inverter DC/AC are able to offer a hot swappable modular concept with full & true redundancy, can cover your AC backup up to 225kVA.

Our innovative portfolio enables better production of antennas and wire and cables in base stations. Our materials equip antennas with incredible thermal stability, flame retardance, creep resistance and post ...
