

What is Australia's budget & why is it important?

This is a responsible and restrained Budget which eases cost of living pressures and invests in a Future Made in Australia. It provides a tax cut for every taxpayer and new help with energy bills, rent and the cost of medicines.

Why do we need a tax cut in Australia?

It provides a tax cut for every taxpayer and new help with energy bills, rent and the cost of medicines. It builds more homes for Australians, reforms our universities, strengthens Medicare and the care economy, and broadens opportunity in our society.

Why are Australians doubling down on 'smarter spending'?

Australians are doubling down on careful cut backs to save hundreds of dollars a month as cost-of-living expenses continue to bite. Consumers are focused on "smarter spending", with half of Australians spending less on eating out at restaurants and treats such as coffees and snacks, according to new NAB consumer sentiment data.

Why is Australia delivering responsible cost of living relief?

Many Australians are under pressure, which is why the Government is delivering responsible cost of living relief without adding to inflation. This Budget delivers: Tax cuts for all taxpayers, with a bigger tax cut for 84 per cent of taxpayers. \$300 energy rebates for all households, and \$325 rebates for eligible small businesses.
