

Bulk purchase of off-grid solar-powered containerized automated emergency rescue equipment

We make mobile solar containers easy to transport, install and use. Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ever.

Discover Solar GEM™, a prefabricated, mobile solar solution designed for off-grid energy needs. Scalable, robust, and ready-to-deploy worldwide.

These solar-integrated backup power units combine photovoltaic generation, lithium battery storage, and smart energy control into a compact, transportable container--delivering reliable ...

Pricing includes the containerized power system, internal components, MOBICARE(TM) monitoring, and standard commissioning. Solar arrays, specialized fuel cell configurations, and extended battery ...

High-efficiency Mobile Solar PV Container with foldable solar panels, advanced lithium battery storage (100-500kWh) and smart energy management. Ideal for remote areas, emergency rescue and ...

Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ready battery bank.

We design a solar container that fits your needs and send you a personalized quote. After you approve the quote, we start building. We'll update you regularly throughout the process. Once ready, collect ...

From remote construction sites to off-grid industrial operations, the MEOX Mobile Solar Container delivers 24/7 power reliability. By day, its foldable solar panels (N-Type i-Topcon, 590W each) ...

Discover our range of innovative solar panels on shipping container products engineered to meet your renewable energy needs with maximum efficiency and reliability.

With its mobile solar power system, you can deploy critical infrastructure anywhere--from powering a remote medical clinic to fueling an eco-resort. The modular design allows you to start small and scale ...
