

Global photovoltaic panel manufacturers ranking

Wood Mackenzie has released its latest "Global Solar Module Manufacturer Ranking" report for the first half of 2025, which assesses solar panel companies on shipments, bankability and performance.

Solidified Top Tier, Formation of a "One Dominant Leader, Several Major Players" Landscape: Trina Solar, Jinko, LONGi, and JA Solar form a stable first tier, with monthly outputs far exceeding others. ...

According to Wood Mackenzie, the top 10 photovoltaic module producers now have enough combined capacity to meet the global annual demand for new panels. These companies have also weathered ...

In this global solar panels manufacturers ranking 2025, we analyze the world's top 10 solar module manufacturers that account for over 80% of solar module shipment data 2025 - JinkoSolar, LONGi, ...

Wood Mackenzie's score-based ranking assessed more than 40 leading module manufacturers across 10 countries. These companies accounted for 62% of global production capacity and 89% of global ...

Discover the top 10 solar panel manufacturers by global shipments in 2025. Ranking with Jinko, LONGi, Trina, and JA Solar...

Wood Mackenzie says that JinkoSolar has taken first place on its list of solar panel manufacturers. The report confirms the dominance of the TOPCon technology but also notes that...

Based on the 2025 market shipment forecast and technology analysis, this report provides an in-depth overview of the world's top 10 photovoltaic module manufacturers to help enterprises make informed ...

The rankings assess not only market performance and financial metrics, but also innovation capability, social responsibility, and sustainable development, reflecting the industry's future trajectory ...

Solar energy adoption is accelerating globally, making photovoltaic (PV) panel selection critical for commercial and residential projects. This article ranks the six major photovoltaic panel manufacturers based on ...
