

Longi photovoltaic panels shipped to external parties

Where can I buy LONGi Solar panels?

Solarity is one of the leading distributors of LONGi Solar solar panels, which offer low LCOE and minimal degradation. Use our wholesale services including shipping anywhere in the world.

Where can LONGi Solar photovoltaic panels be delivered?

LONGi Solar photovoltaic panels can be delivered to you anywhere in the world with our reliable and prompt transport services. We will provide you with professional technical support. Our partners are invited to take advantage of the regularly organised free professional training sessions and seminars. Read more about us

Are LONGi Solar panels a good choice for commercial projects?

In the commercial sector, Longi offers high-capacity panels that are ideal for large-scale solar projects. These panels are designed to maximize power output and are suitable for rooftop installations as well as ground-mounted solar arrays.

How long do LONGi Solar panels last?

The performance guarantee for standard panels is 25 years, with 30 years for bi-facial. The LONGi Solar philosophy is to gain the maximum from solar energy to build a green world. Today, LONGi is part of a community of world-leading producers of monocrystalline silicon panels.

Solarity is one of the leading distributors of LONGi Solar solar panels, which offer low LCOE and minimal degradation. Use our wholesale services including shipping anywhere in the world.

LONGi faces a net loss in Q3, but plans a comeback in 2024 with high-efficiency PV modules using back contact technology.

LONGi's technological and manufacturing leadership in solar wafers, cells and modules underscores our commitment to helping accelerate the clean energy transition. By offering high ...

Longi says it shipped 17 GW of back-contact modules in 2024 and cut its net loss to CNY 8.62 billion (\$1.18 billion), citing tighter inventory control, cost reductions, and higher investment returns.

Longi says it shipped 17 GW of back-contact modules in 2024 and minimize its internet loss to CNY 8.62 billion (\$1.18 billion), citing tighter stock management, price reductions, and better ...

Jiangsu Longi Technology Co., Ltd is a leading company specializing in International tracking of photovoltaic panels and components, committed to providing efficient, reliable, and sustainable solar ...

LONGi's 9M 2025 module shipments represent nearly 24% year-on-year (YoY) growth over shipments of 51.23 GW in 9M 2024, which comprised 13.77 GW of BC modules. Its external ...

Longi photovoltaic panels shipped to external parties

With this, LONGi has already achieved over 75% of the 67.52 GW modules it shipped in FY 2023 (see Chinese Solar PV Giant Shipped 67.52 GW Modules In 2023). The manufacturer also ...

Longi is the world's leading solar manufacturer, consistently making Top-10 solar brands. With manufacturing facilities and sales offices in more than 150 countries and regions worldwide, ...

Chinese solar manufacturing giant LONGi posted RMB1.26 billion (US\$174.8 million) in losses in its Q3 2024 financial results.
