

In 1994, three brothers from New Jersey--Bill, Arty, and Tom Pollock--set out to build a business rooted in people, integrity, and service. What began as Trinity Heating & Air, a small, family-run company ...

After 30 years in business, Trinity Solar is celebrating the installation of our 100,000th Solar system.

Contact the manufacturer of your solar panels or system components for warranty support. Seek alternative local contractors who might take over service agreements.

For Congressman Dale Strong, whose district includes Lawrence County and much of the Tennessee Valley, First Solar's Trinity facility is exactly the kind of Made in America win that ...

Costco contracted Washington-based Trinity Structures to design and build an off-grid rooftop solar system at its distribution center in Mira Loma. Trinity completed the project in four months.

"TSG shares our vision to make solar energy accessible to as many people as possible and today's milestone is a testament to the strength of the family-run business that we have built.

Specializing in modular energy systems that generate, store, and distribute solar power, Trinity serves key sectors including fleet, hospitality, commercial, and multi-family housing.

Trinity Energy has completed a massive solar, battery, and EV charging project at Costco's Mira Loma and Ontario sites. Read how this moves the retailer off-grid.

We custom-design your solar system for maximum energy production and savings. We work with state and local officials, your utility and HOA to pull the permits you need.
